Magazine Statement

"To inform our readers and create an interest in missions and impact them to get involved in IEM's missionary work and mission in general."

"Prayer is not asking, It is a longing of the soul. It is daily admission of one's weakness. It is better in prayer to have a heart without words than words without a heart."

The General Secretary's Thoughts

Our dear prayer warriors,

Yet another **Prayer Digest** is in your hands! You can use the information in these pages for months together!

Whenever I think of the action phrase, **"Come down"** the act of moving down to our knees in prayer comes to mind. The Gospel writer Luke repeatedly mentions how Jesus and Paul knelt in prayer. (Luke 22:41, Acts 20: 36, 21:5)

Is it imperative to kneel while praying? In the Bible, when people approached God or Jesus they either bowed or knelt. Therefore, the posture carries some importance when we approach God. Personally, I recommend that we kneel. "O come, let us worship and bow down; let us kneel before the Lord our Maker." (Psalm 95:6)

We are involved in the ministry of **"Rescuing."** This can't be done unless we **"Come down."** Of course, we might argue that it is not the change of our physical position that is important but a change of heart and attitude.

Nevertheless, physical and visible change in people who are involved in

OUTREACH work means that they are people of prayer.

Prayer is vital in Missions. Without prayer, we can't expect hearts to change, repent and receive Christ. **"After they prayed,** the place where they were meeting was shaken. And they were all filled with the Holy Spirit and spoke the word of God boldly." (Acts 4:31) If mission fields need to be shaken and people need to change, repent and accept Christ, our prayers are absolutely important. The early church gave themselves to continuous prayer and ministry of the Word.

I could write about our preparation, posture, participation, priority, perception and procrastination in prayer. However time and space do not permit me to do so. I request you to **"come down"** for prayer, leaving all other things like Mary who sat at the feet of our Lord Jesus.

Your beloved brother Christ Jesus always lives and prays for you and me!

Yours in His Joyful Ministry

Rev. P John Wesley

Asahel Grant

Asahel Grant was missionary to Persia to serve in the high peaks of Hakkari, dominated by tribal Nestorian Christians. Dr Grant, aged 32, came to the mountains riding on a mule. Grant's goals, to heal the sick, to bolster the area's Nestorian Christians.

Model Prayers for labourers working in the Lord's Harvest Field

"Why have you delayed coming to us? If you would have come earlier, our fathers would have heard the Gospel!"

"Please send someone immediately to other villages so that my relatives may hear the Gospel."

"From the day I came to know Jesus, I am praying that God's servant will come to my village."

"If you had not come and preached the Gospel, we would have been living without any change."

"We had been waiting for a long time to confess our faith publicly. But the law does not allow us to freely go through this sacrament"

"I know and in fact believe that Jesus is the true God. But if I confess this publicly, I will be alienated from my community. I am afraid."

Examine these mixed responses from people to the reception of the Gospel. In these circumstances, how should we pray for the Gospel ministry being carried out among unreached people?

Here are some constant prayer points which you can use anytime.

PRAYER for **Holy Spirit's leading** to the responsive people. "Open your eyes and look at the fields!" (John 4:35) Lord, lead us to the fields which are ready. Give us missionaries and evangelists who will go to these responsive fields, live among the people and spread your Gospel. Lord of the harvest, we believe that you have people among every tribe, language, community, city and nation. Send your servants among them. Prevent us from becoming lethargic and careless in reaching these people in our own generation.

PRAYER for **protection and boldness of new believers**: "Now, Lord, consider their threats and enable your servants to speak your Word with great boldness. (Act 4:29) We pray for the believers who are suffering for the sake of their faith in Jesus so that the new

Pray for the IEM Missionaries' Family Conference at TWR-LTC, Paramankeni, Chennai from May 19th to 23rd 2012.

seekers and believers will not fall because of the worries of this life, the deceitfulness of wealth and the desire for things which can choke the Word, making it unfruitful. (Mark 4:19) Give us thousands of courageous believers like those who heard the message and believed even though Peter and John were arrested. And the number of believers increased.

PRAYER for the strengthening of new Worship Groups: Lord, help our churches to be rooted and built up in Jesus, strengthened in faith and overflowing with thankfulness. (Colossians 2:7) Make our churches to worship the Lord and fast consistently so that, guided by the Holy Spirit, they may set apart men for the work for which you have called them, laying their hands on them and send them off. As they serve, may new believers be nurtured and new Worship Groups be

formed. May the rescued ones go to their own people to open their eyes and turn them from darkness to light, and from the power of Satan to God!

PRAYER for the local church to be an agent of change in the society: Lord, help us to discuss with local authorities and officials who hate your Gospel, to remind them of righteousness, self-control and the judgment to come. Help them to understand Your love. In the same way, help us to let our light shine before men, that they may see our good deeds such as hostels for underprivileged children, and activities that will bring them up socially and economically and praise our Father in heaven. (Matthew 5:16) Help us Lord that we may show the overflowing love of Christ to people and thus fulfil the command that You have given to us. Amen!

Helen Cadbury Alexander

Helen Cadbury Alexander, the daughter of the president of Cadbury chocolates gave her life to Christ at the age of 12. Later, she

gathered some friends to form the 'The Pocket Testament League'. The motto – Read, Carry Share the Bible as the Word of God. They have distributed more than 110 million copies of the Gospel of John in simple one-to-one encounters.

Prayer Cell

The Prayer Cell is the power house of the Mission. A prayer cell

consists of a group of people who are committed to meet regularly to intercede for the ministry done by IEM.

Prayer cells are usually led by honorary workers of IEM who are equipped to share from God's Word as well as to challenge people by furnishing up-to-date information about the Mission.

Why HR?

Introduction

In 1986, I served as an IEM Home Missionary in a village called Tetu, 8 kilometres from my home Chikaladara. Whenever I was discouraged or even left IEM because of my own failures, IEM leaders went out of their way to encourage and counsel me. One leader wrote, **“Dear Jonathan, we have been praying for you. Failure is not the end and the Lord is not finished with you yet”**. I made up my mind to come back and so I am here!

Geographical distance could not block the love and care I received even though, I was not full time missionary at that time. The leaders looked beyond my inabilities and considered **what I could become**. The Mission sent me for theological training in order to equip me. So the aspect of “care” has always been a hallmark of the Mission. Only the name has evolved with time and is now called Human Resource.

Just like the soldiers in battle field are humans, so also the missionaries in the mission field are humans. They get discouraged, distracted; they fall sick and even falter and fail in their walk. Commitment alone is not enough. A one off training is not sufficient. Even all wisdom will fall far short. Care and appreciation is constantly needed so that our people will feel cared for accepted and significant!

There can be no sustainable ministerial growth without sustainable human resource. The HR & Admin Department

plays a crucial role in the organization without which operations are almost impossible. Maximizing productivity of the missionaries and minimizing financial risk is one major necessity for us in the Mission. HR aligns the supply of skilled and qualified individuals and the capabilities of the current workforce, with the mission’s on- going and future plans and requirements in a manner that maximizes, employee motivation and commitment. Management and implementation of policies, processes or standards is also an important aspect in the Mission. The HR is the service provider. Hence HR is indispensable in the organization. Like the military, the resource and training units are equally important as the soldiers in the battle field.

HR’s ultimate aim is to make IEM a nice place to live and work in. Whether it is Christian organization or a company, the most important thing is relationships.

Vision

“To enrich every worker in IEM to fulfil their call, tap, develop and channelize their potential so that they can lead transformed lives with excellence and be Christ like in Character.”

“People are our most valuable asset.” Yet, people remain Under valued, Under trained, Under utilized, Under motivated, Under performers and are Under equipped”

“Withhold not good from them to whom it is due, when it is in the power of thy hand to do it.”

Proverbs 3:27

IEM AT A GLANCE

Indian Evangelical Mission (IEM) is a church related missionary movement working in partnership with the Indian church and Christian communities since 1965. Our vision, **“The Gospel to every person and a church among every people group”** With the co-operation of Indian churches, the ministry is growing every year. New missionaries are sent and new mission fields are in many states of North and North East India.

We have over 640 missionaries working in remote areas in cross-cultural situations in 24 states in India who are involved in evangelism, church planting, Bible translation in 13 tribal languages, literacy, hospital, training and tribal hostels in 18 places in areas where no proper residential schools exist for children who are from remote villages.

IEM is the mission wing of EFI founded by Rev. Dr. Theodore Williams. By God’s grace, with the co-operation of Indian churches, the ministry is growing every year. We send new missionaries and open new mission fields in many states of North and North East India.

“What to Pray for Missionaries?”

The Church and Communication ministries department has 6 **Vision Building Factors** to fulfill its objective. They are

1. Prayer
2. Passion
3. Pioneering
4. Passing the Vision
5. Partnership
6. Publication

Our activities are centred around these areas. We developed a chain of prayer, new ministry efforts for women, youth, children, church leaders' programmes, field visits, developing vision building teams in different places, fostering lively church-mission partnerships and producing IEM promotional materials like publications and mission- oriented IEM song CDs in our vernaculars. Prayer is our priority and the focus for this month.

“What to Pray for Missionaries?”

1. Words: Missionaries go to places where no church or Christian witness is present to serve among different people groups of different faiths in the new culture, language and environment. Missionaries learn the language of the people and boldly communicate the Gospel using culturally relevant words. (Acts 4:29 and Ephesians 5:11)

2. Wonder: Occasionally, missionaries exercise spiritual gifts to heal the sick and drive out demons. The Apostles

prayed “Lord, look upon their threats and grant to your servants to continue to speak your word with all boldness, while you stretch out your hand to heal, and signs and wonders are performed through the name of your holy servant Jesus.” Acts 4: 29-30

3. Wisdom: As work progresses, the temptation is to depend on experiences and results. Paul wanted to embark on a second missionary journey in Asia but God intervened through a man from Macedonia who guided him to take a new route to Europe (Acts 16:6-10). The Holy Spirit's guidance is needed. In a cross-cultural setting, the wisdom of the Lord is paramount as the Apostles learnt in the Jerusalem council in Acts 15.

4. Worshipers: When the Gospel goes to different regions, God prepares the hearts of people to (Acts 16:14-15) stand firm in their faith so that they are not confused by another Christ, a different Gospel (2 Corinthians 11:4).

For the sake of the faith, basic rights are deprived; injustice is shown and people are rejected by the community. Young people are not getting godly partners.

5. Well-being: Missionaries are human not superstars. They go through emotional downsides like lack of Christian fellowship, separation from children because many children are sent to study in hostels. suffer health setbacks owing to adverse climatic conditions, financial crisis, fruitlessness in the ministry, accidents, lack of co-workers to meet the demands on the field, attacks and threats by the anti-social groups and so on Paul records His struggles in 2 Corinthians 11: 23-27. Satan wants to put God's children in dark, dull, disappointing and dejected situations to make ineffective.

6. Workers: The invitation to new areas are more but we need workers to be sent as church planters, Bible

translators, medical personnel, literacy workers and so on. Let **the Church** release those who are called for the work of the Lord like the Antioch church (Acts 13). **the young people** to commit for the life transforming ministry like Timothy (Acts 16 :1-3) and **the parents** to dedicate the children for the glorious ministry of the Lord Like Elkanah and Hannah (1 Samuel 1:24-28) who dedicated the precious Samuel. As Jesus the harvest truly is plentiful but the laborers are few. (Matthew 9:37-38).

Thanks be to God for prayer partners like you, who can intercede for the missionaries like Paul who wrote, "I remember you in my prayers night and day..." (II Timothy 1:3, 4). Your prayer in the Lord will not go in vain. Can you start a prayer cell at your home or area?

Bramwell Booth

Bramwell Booth was the first Chief of Staff and the second General of the Salvation Army, succeeding his father, William Booth. He worked for the Lord with his father, and was an officer when the "Christian Mission" became "The Salvation Army" in 1878. All his seven children became active workers in the Army. Their eldest child was Commissioner Catherine Bramwell –Booth.

Tribal hostel

In many mission fields, little children while away their time simply because their parents can't afford to send them to school or schools are located far away from their homes. The purpose of hostels is to provide good education to the underprivileged children in the area where they are not cared for or there is no availability for studies.

Great is the Lord and greatly to be Praised

It is a great saying: God's work done in God's way lacks nothing. This has been our experience in IEM. Trusting God for daily provision for the Mission is an overwhelming experience.

Every decision concerning how we spend money for each need of the ministry depends on the way the Lord stirs the hearts of His people and causes them to send the funds at the right time to carry out His purposes. The flow of funds always comes from various parts of our motherland.

When we receive funds along with words, "regret for sending the offering late," "We value your ministry," "We are praying," and "we are sending this little offering for the expansion of His kingdom," our hearts are filled with gratitude and we are awestruck at His faithfulness.

Every year, we grapple with the preparation of a Faith Budget of Spending with a plan focused on the

best way of establishing God's kingdom on earth by using the God-given resources effectively. This Faith Budget of Spending is always connected to the inflow of funds – the Faith Revenue. In reality the Faith Revenue is always counted on the basis of God's providence through the sacrificial offerings of supporters within and sometimes outside India.

Therefore we begin every new financial year (April-March) without any bank balance or any reserve funds. We depend totally upon God trusting Him alone. The Spirit of God lays a burden in the hearts of individual believers/families/churches/organizations to send the needed funds. We receive these sacrificial contributions and invest them for His glory. I challenge you to pray for us and walk with us in faith to reach the unreached millions.

To
Finance Secretary

Dear brother in Christ,

We are very much delighted to receive your letter. We greet you in the name of our Saviour Jesus Christ. We are only few women, who belong to the Border Area of Bangladesh. We cannot contribute much, because we are poor. Though we met many difficulties, yet we have a spirit to support mission field, even a small amount. We hope that God will help us in contributing to the work of God. Please pray for us and we also will pray for your mission fields.

We are very glad to know from your letter about the works of IEM and all the fruits from those fields. We wish that God will give your strength and wisdom in spreading the gospel of Jesus Christ.

Yours Sincerely

S.M. Raphap (Meghalaya)
